**Kit-**:

- i) Committee happy with the new kit being mainly white, with blue and orange.
- ii) Geoff discussed the kit with black shorts with a signature orange and blue down one leg and 'Diss' down the other leg. The designers can make all accessories to go with this kit.
- iii) Concern was over the issue of advertising as the kit has the manufacturers name on it but if this is small enough it does not constitute sponsorship.
- iv) Concerns over the manufacturers being a foreign company were raised as in the past this has caused problems. Geoff reassured the committee that they have representatives in this country that are willing to meet and discuss concerns.
- v) It was decided that the club would do two orders a year of 10 items or more individual items ordered at other times will be charged at 35% more. If order is over 1500 euros 5% discount, 2500 euros 7% discount and 5000 euros 10% discount on advertised price list.
- vi) Carvalho will supply sample sizes for two weeks at a time for trying on, Geoff will discuss payment details which is usually 50% deposit for all orders.
- vii) The kit must be approved by BC, this has been done through the Eastern division.
- viii) It was asked if club members should get the £25 subsidy if not purchasing kit and it was decided not. Subsidies will only be on the first order in March and the club will not hold stock. , but will keep a jersey's in all sizes for the purpose of trying on.
- ix) Geoff will be the coordinator with Carvalho.
- x) Darker coloured kit for winter ruled out as it is felt that it will water down the club image?
- xi) Other manufacturers were looked into and other clubs opinions were sort and Carvalho came out on top.
